

Catherine's Prayers

*Prayer
for a Person Critically Ill*

Healing God, give strength and courage to _____ as she/he patiently endures the suffering and pain of her/his illness.

Take from her/his heart all painful anxiety. Help her/him to place her/himself in the arms of your loving providence, trusting in your compassionate, tender love.

Blessed Mary and all the saints, gather round us as we pray for our sister/brother. May we reach out to her/him with compassion and support, bringing her/him comfort. Through your intercession may we all look forward to being united with you in God's presence.

Amen.
